Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

Solar Agriculture Pumps , Eco-Friendly Irrigation Solutions

Our solar surface and submersible pumps are designed specifically to meet the irrigation needs of small and large-scale farms. With high efficiency, long-lasting components, and strong flow rates, your ...
