

12v 300ah lithium iron phosphate energy storage battery

Overview

Our RB300 is a lithium iron phosphate battery that's ready to replace your heavy lead-acid battery bank in your sailboat, RV, or solar energy system. RELiON lithium batteries provide more power than. The 12V 300Ah LiFePO4 Battery (3840Wh) is a high-capacity deep cycle lithium battery engineered for reliable and long-lasting energy storage. Note that Generation 2 is not compatible with Generation 1. (Compared to lead acid batteries, which typically need to be replaced every few years). It has an 11-year battery warranty. KEPWORTH 12. 65 inch, the max continuous discharging current is 200A.
