

# Belgium Huijue Energy Storage New Product

**Nominal Capacity**

**280Ah**

**Nominal Energy**

**50kW/100kWh**

**IP Grade**

**IP54**

## Overview

---

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an. Recently, Huijue Group, a global leader in energy storage integration, has delivered impressive operational data for its 4MWh European energy storage project. Recently, Huijue Group has achieved remarkable results in the AI optimal tuning energy-saving project.

## Belgium Huijue Energy Storage New Product

---

### **new energy battery**

The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution.
