

China Concentrated Solar Power Station

Overview

China Three Gorges Group has connected to the grid a 1 GW hybrid concentrated solar power (CSP) and photovoltaic complex in Hami, Xinjiang, in what is described as the world's largest integrated facility of its kind. You can browse a project profile by clicking on the project name.

China Concentrated Solar Power Station

China Three Gorges commissions world's largest PV-CSP solar plant

China Three Gorges Group has connected to the grid a 1 GW hybrid concentrated solar power (CSP) and photovoltaic complex in Hami, Xinjiang, in what is described as the world's largest
