

Electric vehicle incentives nicosia

Overview

The grants range from €9,000 for new private-use electric cars to €20,000 for vehicles used by people with disabilities and for large families. Cyprus has launched the fourth phase of its electric vehicle grant scheme, with applications set to open on December 5 at 9am and close on December 9 at 9am, road transport department (TOM) officer Angelos Sofocleous said on Monday. Speaking on CyBC radio, he confirmed that the new call covers only. The Council of Ministers approved a new €2.5 million subsidy scheme aimed.
