

# Energy company uses 100kW mobile energy storage outdoor cabinet for transactions

## Overview

---

The Symtech Solar Battery Energy Storage Cabinet (MEG 100kW x 215kWh) is a fully integrated, PV-ready hybrid energy storage solution designed for both on-grid and off-grid applications. Our all-in-one design significantly reduces transportation and field installation time and costs while. This EG outdoor Battery Energy Storage System (BESS) features a 100KW Power Conversion System (PCS) and a 215KWH LiFePo4 battery system. Built with Tier 1 LFP battery cells (EVE), this system delivers safe, reliable, and long-lasting performance.
