

# Energy company uses 20MWh solar container

## Overview

---

On May 16, Chinese company Gotion held the 2025 Global Technology Conference, where it introduced the Grid20MWh BESS 20MWh energy storage system. It is the world's first energy storage system to reach a capacity of 20MWh per unit, and its design supports a lifespan of 25 years. Shanghai-headquartered Envision Energy launched its latest grid-scale energy storage system at the third Electrical Energy Storage. From June 11th to 13th, the 18th International Photovoltaic Power Generation and Smart Energy Conference & Exhibition (SNEC 2025) was held at the Shanghai National Convention and Exhibition Center. The Ezra Group, a leading business conglomerate, has successfully developed and financed a 20-megawatt (MW) solar power plant along with a 1 ment to renewable energy and environmental.
