

Fixed australian energy storage cabinet for mining

Overview

Actiwork offers heavy-duty mining lockers to provide secure and organized storage space for mining facilities. Our lockers are made of high-quality materials that can withstand harsh mining environments. All our storage systems, materials handling and access equipment, and robust pallet cages. The AES Cabinet 10 and Cabinet 50 are pre-wired, plug-and-play enclosures designed to house 2 and 10 AES 51. From solar battery storage units powered by renewable energy, to off-grid standalone power systems for remote mine sites, our reliable energy solutions help keep your mine running.
