

# French power generation container manufacturer

## Overview

---

Learn about LZY's cutting-edge products, from mobile solar PV containers, photovoltaic glass, and BESS power conversion systems. Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. Leveraging the expertise acquired during several decades with more than 3,000 containerized units delivered, our genset containers offer optimal performance in various site conditions. By maintaining our eco° GEN-C series features all-in-one packaged power generation solution, engineered for mobility, easy deployment and scalability each power container is engineered to meet specific application requirement, customisations to include: engine type, noise level control and power capacity Our. Compact modules for the TCG 3016, TCG 3020 and TCG 2020 gas engines. Complete turnkey systems for special applications. 270 containers with 245 MW el have already been installed worldwide. Years of use in the rental, oil and gas, mining and other heavy-duty industries. Container power generators are available with a rated capacity of 30 kVA to 3000 kVA. We are committed to promoting energy transformation and sustainable development and providing innovative energy storage solutions. LZY Energy photovoltaic water.
