

Inner Mongolia Energy Storage New Energy

Overview

On June 26, the 1,000 MW / 6,000 MWh power-side energy storage project in Chayou Zhongqi, Ulanqab City, Inner Mongolia officially commenced construction. The multi-project cluster includes the world's largest single-site electrochemical energy storage facility: the 4 GWh Envision Jingyi Chagan Hada Energy Storage Power Station. According to the regional Energy Bureau, as of the end of June 2025, the region had started construction on 34.

Inner Mongolia Energy Storage New Energy

China's largest standalone battery storage project powers up

Developed and financed by Tongliao Conch New Energy Co., Ltd., a subsidiary of China's largest cement manufacturer the Conch Cement Group, the project - located in Naiman Banner, ...
