

Jiaochi photovoltaic bracket brand introduction

Overview

It is a world-leading manufacturer and solution provider of photovoltaic tracking brackets, fixed brackets and BIPV systems. It successfully landed on the China A-share Science and Technology Innovation Board in 2020 (stock code: 688408). Their main function is to install solar panels at the optimal angle and orientation, ensuring that they can receive maximum. for mounting solar panels on tile roof surfaces. These brackets are designed to blend in with the roof tiles,preserving the aesthetic appearance of the buildin while providing reliable suppor to securely attach panels to flat roof surfaces. It ensures stability and durabilit for. Jiangyin Jiixin Energy Technology Co. The factory is located in Xuxiake Town, Jiangyin City, Jiangsu Province. Our products cover large-scale power stations, c . Also provides a detailed product description of the Solar Bracket, including product introduction, history, purpose, principle, characteristics, types, usage and purchase precautions, etc.
