

# Outdoor Communications Energy Storage

## Overview

---

Solar modules combined with energy storage provide reliable, clean power for off-grid telecom cabinets, reducing outages and operational costs. Choosing the right solar module type and properly sizing the system with a 20% buffer ensures consistent energy supply even in challenging. The Large-scale Outdoor Communication Base Station is a state-of-the-art, container-type energy solution for communication base stations, smart cities, transportation networks, and other crucial edge sites. This transformation is changing energy access for remote communities, telecom. Huijue Group's energy storage solutions (30 kWh to 30 MWh) cover cost management, backup power, and microgrids. Continuous power availability ensures network uptime and service quality in remote locations, even during grid failures or low sunlight.

## Outdoor Communications Energy Storage

**Product Model**  
HJ-ESS-215A(100KW/215KWh)  
HJ-ESS-115A(50KW 115KWh)

**Dimensions**  
1600\*1280\*2200mm  
1600\*1200\*2000mm

**Rated Battery Capacity**  
215KWH/115KWH

**Battery Cooling Method**  
Air Cooled/Liquid Cooled

**ENERGY STORAGE SYSTEM**

## Large-scale Outdoor Communication Base Station , Reliable & Energy

Discover the Large-scale Outdoor Communication Base Station, designed for smart cities, communication

networks, and power systems. Integrated with solar, wind, and energy storage ...
