

Photovoltaic panel installation damage bill

Overview

Your homeowner's insurance should cover your solar energy system. This would be the case if you have monetary or property damage as a result of the work. If your home has suffered damage due to a faulty solar panel installation—such as roof leaks, interior water damage, or electrical issues—you may be wondering if legal action can help recover those costs. Problems with installation. Sometimes the company installing solar panels on the roof of your home damages the shingles or could even cause severe enough damage you need a re-roofing. But we can help recover the costs of fixing it.
