

Solar container outdoor power Connect Solar

Overview

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank. Fully customizable to your exact needs. Solar containers are not just portable solar panels - they are complete, turnkey solar power stations housed in standard shipping containers. RENDONO Solar has been manufacturing these innovative solutions since 2010, helping importers in 80+ countries deploy reliable renewable energy systems in. It's why thousands of American farms & ranches trust RPS. Rather a Friendly Voice?

Our famous support team is here to help. It's a QUICK 10 minute phone call! COMPLETE SET UP! RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows. We make mobile solar containers easy to transport, install and use. The integrated solar system delivers 400-670 kWh of energy daily. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar.

Solar container outdoor power Connect Solar

Solar Container , Large Mobile Solar Power Systems

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.
