

Top 10 brands of solar inverter prices

Overview

We looked at 10 of the most popular inverter brands on the market and collected the data for each category to compare the numbers. The top 10 solar inverters in 2024 are outlined in detail below. Enphase IQ8 The Enphase IQ8 microinverter is an innovative solar power inverter. There is a considerable price difference between the hundreds of solar inverters available. For example, an entry-level 5kW inverter can start at as little as \$650, while a premium quality 10kW inverter with a 10-year warranty may cost up to \$2400. Each person should think about system size, where it will go, and how much money they can spend to pick the best one. Good efficiency, low price.
