

Transaction terms for 120kW custom outdoor cabinets for drilling site use

Overview

This agreement sets out the specific terms of the arrangement including the price the purchaser is paying for the cabinetry and their installation, date of delivery and installation and the company's warranties regarding the cabinets. A cabinet contract is a formal agreement that outlines the terms and conditions of a cabinetry project between a cabinet maker, the client, and occasionally a contractor. However, these forms were intended to be used by those in the oil and gas industry and that are familiar with their use. This document sets forth the Cabinetworks Group, Inc., including its subsidiaries (“we”, “us”, or “our”), standard sales terms and conditions (together with any conditions contained in the quotation, if any, and Dealer. The International Association of Drilling Contractors disclaims any liability whatsoever for loss or damages which may result from use of the form contract or portions or variations thereof. 00 Retainer Deducted from total contract -\$ 00000.
