

Warranty for outdoor telecom cabinet fast charging products

Overview

All APX Enclosures NEMA indoor/outdoor telecom equipment cabinets are made in the USA and backed by a 30-day simple return policy and a 1-year product warranty. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. 1) Subject to the general warranty provisions of the Charles Standard Terms and Conditions of Sale. Weatherproof, dustproof, and built to withstand harsh environments, they ensure reliable protection for your telecommunications equipment in any outdoor setting. Professional-grade enclosure featuring 6500W cooling capacity and IP55 protection. Available in stainless steel, aluminum, or galvanized. Purcell Systems' solutions specifically address operators and service providers' needs for durable equipment enclosures, modular cabinets, advanced surge protection technology, optimal battery backup enclosures, superior power management, and complete climate control cabinets, for equipment. Backed by an industry-leading 15-year warranty, this American-made enclosure delivers unmatched durability and value. AlumiFlex® Construction: Lightweight, robust material offers steel-like strength to support heavy equipment while resisting corrosion.
