

Which factory has double-glass modules in Israel

SMART BMS PROTECTION

OVER-CHARGE **SHORT CIRCUIT**

OVER-DISCHARGE **OVER-CURRENT**

CELL BALANCE

LiFePO4 Battery
12V 100Ah
Lithium Iron Phosphate Deep Cycle Battery
Made in China

Overview

Vitro-PPG has decades of experience in this field, and is the leading producer of float glass products as well as Low-e (low-emissivity) glass products, and has 7 production lines for flat glass and 6 production lines for coated glass. is the leading importer of glass for the building industry in Israel. Our company supplies all glass solutions: windows for screen walls, curved windows, shaped windows, insulating glass with internal blinds, windshields, and a variety of other solutions. We are the sole representative. Shanghai, July 15 2019 --JinkoSolar Holding Co. ("JinkoSolar" or the "Company") (NYSE: JKS), one of the largest and most innovative solar module manufacturers in the world, today announced that it has supplied 700kW dual-glass Mono Perc modules to a floating solar plant in Nir Etzion water. Israel has a robust industrial base, particularly in materials like glass and aluminum extrusion. For a new solar module manufacturer, tapping into this local ecosystem offers significant advantages.
